OUR JOURNEY

1992

The Beginning

Deep Green Global is established in Jamnagar, Gujarat, building strong foundations in the domestic market.

OVER THE YEARS

Building Strong Relationships

Lasting relationships across the food-service and business supply ecosystem, supported by dependable products and consistent service.

30+ YEARS

Growing Product Expertise

Experience across disposables, packaging materials, cleaning solutions, food raw materials, kitchen tools and other essentials.

TODAY

Growing Globally

Taking decades of experience to the global market with dependable supply and long-term international partnerships.

OUR PROMISE

Trust First

Lasting business relationships begin with trust, honesty and reliability.

Dependable Supply

We commit to what we can deliver and work to provide consistent supply.

Quality Commitment

Quality products that meet agreed specifications and customer requirements.

Clear Communication

Clarity on products, specifications, packaging and supply expectations.

INDUSTRIES WE SERVE

HORECA Solutions for Every Sector

We connect food-service businesses, importers and distributors with sustainable disposables, eco-friendly packaging and dependable supply from India.

Cafes & Coffee Shops

Sustainable disposables and food packaging for fast-paced beverage and takeaway operations.

- Corn-starch carry bags & cutlery
- Reliable export supply to exact specifications

Restaurants & Food Outlets

Food parcel solutions, clamshell containers and eco-disposables for busy dine-in and delivery service.

- Durable food packaging & parcel containers
- Areca leaf and bagasse disposable tableware
- Consistent quality backed by 30+ years of experience

Hotels & Hospitality

Premium, eco-friendly packaging and disposables for banquets, room service and resort dining.

- Elegant areca leaf disposables & premium cutlery
- Room-service and event food packaging supplies
- Export consistency with transparent commitment

Caterers & Food-Service Businesses

Bulk cutlery, parcel containers and packaging for large-scale catering, parties and commercial food service.

- Bulk plates, bowls, spoons, forks & serveware
- Carry bags & sturdy parcel packaging
- Dependable volume sourcing from India

Retailers & Supermarkets

Retail-ready sustainable disposables and packaging for growing demand for eco-conscious goods.

- Corn-starch carry bags & grocery packaging
- Packaged bagasse and areca leaf consumer packs
- Long-term, trusted retail supply

Importers & Global Distributors

A dedicated B2B sourcing partner for international importers and distributors, supplying from India.

- Comprehensive HORECA catalogue & OEM packaging
- Clear quality expectations and smooth communication
- Built on trust: we supply what we commit
